

RECRUITING FOR A STUDY ON **NECK PAIN**

Baylor University

ARE YOU CURRENTLY EXPERIENCING NECK PAIN?

Baylor University and PROActive Physical Therapy have partnered together to conduct high-quality research. Researchers are seeking participants for a research study comparing two treatment methods for neck pain management. The goal is to determine which approach yields the best outcomes using effective treatments.

WHAT WILL I BE ASKED TO DO?

PARTICIPATION WILL INCLUDE:

A ROUTINE PHYSICAL THERAPY
EXAMINATION

COMPLETE QUESTIONNAIRES ABOUT YOUR
NECK PAIN AT 4 SET FOLLOW-UP TIMES
OVER 6 MONTHS

AGREE TO ATTEND 5 PHYSICAL THERAPY
SESSIONS

ELIGIBLE PARTICIPANTS WILL RECEIVE UP TO
\$550 IN AMAZON GIFT CARDS DEPENDENT ON
THE LEVEL OF PARTICIPATION

ARE YOU CURRENTLY HAVING NECK PAIN?
